This consultation is included with each service or with each package and is the perfect way to determine if Joie de Vivre Event Coordinating is the right fit for your personality, your style, and your event. Designed to be a comfortable, casual meeting specifically to come together to understand each other, we will touch on your wedding goals, ideas, style, preferences, budget and many other topics that pertain to your event. This discussion will be as detailed as you want it to be. If we both feel that we can work well together then we set up our in depth Complimentary Consultation. After this meeting you are allowed unlimited calls and e-mails to answer any questions or concerns that we may not have covered in our meeting.

#### **The Basics: "Day of" (Package price starts at \$800)**

This package is designed to get you started on the right foot and includes three distinct meetings after the complimentary consultation.

### **Joie de Vivre Classic Plus (Package price starts at \$4500)**

This package was designed with the out-of town bridal couple and the career couple in mind. We review all your wedding wishes and requirements, take charge of your budget and make all the decisions, hire all the vendors, negotiate all your contracts, create your wedding décor, handle etiquette issues, favors, hotel rooms, etc. In addition we include post wedding day services that include the return of any rental items. You can be as involved or un-involved as you wish. We supply you with weekly e-mail updates and phone calls to keep you informed of our progress. Sit back, relax and allow us to do all the work exactly as if you had done it yourself.

### **A la Carte Options**

If the packages we offer do not fit the needs of a client then we can custom design a package that is a perfect fit. It may be that all you need is someone to point you in the right direction or provide professional vendor recommendations. When this is the case, we'll charge an hourly rate.
